

3M MPro120

3M MPro120

Brief Introduction

Beta 2.5

A brief introduction to the MPro120: The 3M game portable LED projector offers 12 Ansi lumens and a VGA 640 x 480 resolution. The manufacturer specifies an LED service life of 20000 hours, which is over 13.7 years if enjoyed for four hours a day. The rechargeable projector is not dependent on a direct power source and can therefore be set up very quickly, freely and spontaneously. On the market since 2009, the model is no longer offered by the manufacturer 3M.
