## 3M Super Close Projection System SCP716W

**Brief Introduction** 

Beta 2.5

The 3M model Super Close Projection System SCP716W is a DLP projector with WXGA 1280 x 800 resolution and a contrast of 1800:1. Includes a lens shift and keystone correction function, which provides freedom during installation. An image width of up to 498 cm is possible as the projector has 2400 Ansi lumens. However, if room light is available, the image should be max. 332 cm wide. The projector is equipped with an integrated whiteboard function for interactive training and presentations. On the market since 2010, the model is no longer offered by the manufacturer 3M.
