NOBO X17E Digital DLP™ Projector

Why choose NOBO X17E

NOBO X17E is an outstanding value for money, XGA projector, ideal for small to medium meeting room presentations, showing large amounts of detail. The X17E is a superb 1800 ANSI lumens in brightness and has an impressive 2200:1 contrast ratio. The NOBO X17E has a useful ECO mode function which not only allows noise level to be reduced to a very quiet 27 decibels but also increases lamp life to 3000 hours giving longer term peace of mind. The X17E is both robust and lightweight at only 1.9Kgs so is suitable for a whole host of portable applications as well as ideal in fixed installations. Additional features include 1 minute shut down and Kensington® lock facility for added security.

Accessories Included:

AC Power cord, VGA Cable, Composite Video Cable, Carry Bag, Infra Red Remote Control, Battery, Lens Cap, User Guide, SCART Adapter, Quick Start Up Guide and Warranty Card.

Optional Accessories:

Ceiling Mount Kit, S-Video Cable, Kensington® Wireless Presentation Remote and Kensington MicoSaver™.
