Overview

The Dukane **ImagePro™ 8048** will fill your conference or class room with a compact, powerful **Digital Light Processing™** projector. Whether it's ceiling-mounted, locally mobile, or holding down the conference room table, its 1300 lumens and advanced video capabilities will make great impressions for years to come.

- **Industry Leading 5-Year Warranty-** We cover manufacturers defects for 5 years. This is the best warranty in the industry.
- **Incredibly light-** just 6.7 lbs.
- **Incredibly bright-** 1300 lumens.
- **True SVGA-** 800x600-resolution ideal for typical chart and graph presentations.
- **Great-looking-** sleek, impressive design.
- **Compact size-** only 3.9"x10.9"x11.2".
- **Film-like image quality-** Its DLP™ display offers bright image and true-to-life colors.
- **Zoom lens and elevator foot-** ensure perfect image size, focus and position.
- **Easy to connect-** uses advanced M1-DA DVI and analog connector with USB and has the CableHub connector for next-generation compatibility.
- **Plug-and-project setup-** intelligent electronics provide automatic synchronization, tracking, image positioning, and video source detection.
- **Video-** offers home theater quality video for images that handsdown beat a big-screen TV.
- **Built-in-audio-** 2.5 Watt speaker.
- **Whisper quiet-** for distraction free viewing.
- **Carry case-** its own compact soft carry case is included.
- **Remote control-** so you can control your presentation and the mouse from anywhere in the room.
- **Two-year Peace of Mind loaner program-** For the first two years of the warranty period Dukane will send you a loaner LCD projector within 24 hours after determining that your projector requires warranty service. This program gives you the peace of mind of knowing that you will always have a projector for an important presentation.
- **24-hour technical service-** We offer 24/7 service via our 800 number.
