FEATURES

The **Dukane ImagePro™ 8941A** is the ideal projector for the most demanding, large audience presentations. The eye popping 4500 lumens and XGA resolution provides you rich, detailed images. The optional long throw lens allows you the ability to handle vast distances from the projector to the screen. The 8941A is as versatile as any projector on the market today, so you can feel assured that any and all presentation demands will be easily met by the 8941A. It also has Progressive Scan to give double the video resolution with added sharpness.

The ImagePro 8941A inputs are easily accessible.

Performance and Portability

The **Dukane ImagePro™ 8941A** commands attention in the boardroom, church or large auditorium. The eye popping 4500 lumens makes this the perfect projector for high ambient light conditions or situations that require a long throw.

Native XGA resolution LCD technology and only 14lbs makes the **ImagePro 8941A** as versatile as any projector on the market today. Power zoom and focus, RGB output, component/composite/S-video inputs, DVI Input and 2 Analog RGB inputs connects the ImagePro 8941A to the vast majority of signal requirements. A 500-1 contrast ratio provides clarity rarely seen in LCD projectors.

Other features include: vertical and horizontal keystone correction, 36 dB (whisper mode), HDTV Theater Ready, Picture in Picture, 16:9 mode, and remote controller with laser pointer and mouse function.

Finally "My Screen" is a user programable Start-up screen that allows the end user to check a message that is seen during warm-up. This can identify the users organization or any other desired graphic.

Two-year Peace of Mind loaner program. For the first two years of the warranty period Dukane will send you a loaner LCD projector within 24 hours after determining that your projector requires warranty service. This program gives you the peace of mind of knowing that you will always have a projector for an important presentation. This projector is backed by **Dukane's legendary service and a industry leading FIVE YEAR** limited warranty.
