### Power

The L720M / SX300 LCD projector from Luxeon has 2000 Ansi lumens, a contrast of 500:1 and an XGA 1024 x 768 resolution. Thanks to the horizontal and vertical keystone correction, the projector can be positioned very freely. The projector can illuminate a picture width of up to 389 cm thanks to its 2000 Ansi lumens. In room lighting, however, the image width should ideally be less than 259 cm. This model is no longer available from Luxeon.
