

STUDIO EXPERIENCE

# PREMIERE 30HD

## Instant theater in your home!

Capture full cinematic experiences with the Studio Experience Premiere 30HD. Enhanced Video Integration, Advanced Optical Engine, and the Matterhorn DMD™ Chip insure you will get the best quality images. This full-featured DLP™ unit boasts a 2000:1 contrast ratio, 800 ANSI lumens and HDTV compatibility for clear and crisp pictures. Unique features such as the Picture in Picture allows for viewing of two of your favorite shows or sporting events, and the low noise rating of 29dB lets you focus all your attention to the screen instead of the background noises.

A division of BOXLIGHT Corporation.
