

# AAXA AF115

AAXA AF115

## Brief Introduction

Beta 2.5

With the AF115, manufacturer AAXA offers a home theater SXR D projector with HDTV 1920 x 1080 resolution and a contrast of 35000:1. The projector also offers a lens shift function for flexible projection adjustment without loss of quality. An image width of up to 431 cm is possible. However, the image should be smaller in room light. We recommend max. 287 cm. Even 1080P video signals are no problem for the projector. It was launched in 2009 and is no longer offered by the manufacturer AAXA.
