

Acer B130i

ACER B130i

A brief introduction to the Acer B130i. The game-portable DLP LED projector has a WXGA 1280 x 800 resolution and a contrast of 1500:1. The manufacturer specifies an LED service life of 20000 hours, which translates to over 13.7 years at 4 hours of operation. 400 Ansi lumens ensure that a picture width of 203 cm is also possible. However, if room light is available, the picture should be max. 135 cm wide. Thanks to the built-in 15000 mAh 2h battery, no power supply is required, allowing the projector to be set up quickly and flexibly. Even 1080P video signals are no problem for the projector. On the market since 2020, the model is no longer offered by the manufacturer Acer.

Brief Introduction

Beta 2.5

Display Type

DLP Chip
WXGA 16/10 Ti Digital Light Processing Chip

Ansi-Lumen

Projector 400
