

Acer H5385BDi

ACER H5385BDi

The Acer H5385BDi home cinema 3D DLP projector has 4000 Ansi lumens, a contrast of 20000:1 and an HDTV 1280 x 720 resolution. The lamp life is specified by the manufacturer as 15000 hours, which is over 20.5 years if enjoyed for two hours a day. An image width of up to 643 cm is possible as the projector has 4000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 429 cm. Playing 1080P and 3D is also no problem for the projector.

Brief Introduction

Beta 2.5
