

Acer H6522BD

ACER H6522BD

With the H6522BD, manufacturer Acer offers a home cinema DLP projector with HDTV 1920 x 1080 resolution and a contrast of 10000:1. The manufacturer specifies a lamp life of 10000 hours, which is over 13.7 years with a daily viewing time of 2 hours. Thanks to the brightness of 3500 Ansi lumens, a picture width of 601 cm is possible. The projector can also handle slightly brighter rooms with a smaller picture width (we recommend max. 401 cm). Playing 1080P and 3D is also no problem for the projector. On the market since 2019, the model is no longer offered by the manufacturer Acer.
