

# Acer P1385W TCO

ACER P1385W TCO

The standard portable P1385W TCO 3D DLP projector from Acer has 3200 Ansi lumens, a contrast of 20000:1 and a WXGA 1280 x 800 resolution. The manufacturer Acer specifies a lamp life of 10000 hours, which converts to over 13.7 years at 2 hours per day. The projector can illuminate a picture width of up to 575 cm with its 3200 Ansi lumens. In room light, however, the image width should ideally be less than 383 cm. The HDMI MHL (Mobile High-Definition Link) port allows 1080p / 60 Hz image mirroring (screen mirroring) to be transmitted from a smartphone while it is being charged via the connection at the same time. Even 1080P video signals and 3D are no problem for the projector. At 30 decibels, the projector is very quiet compared to other projectors. The projector was launched in 2015 and is no longer sold by the manufacturer.
