

Acer X118

ACER X118

A brief introduction to the Acer X118. The DLP projector has a WXGA 1280 x 800 resolution and a contrast of 20000:1. The manufacturer specifies a lamp life of 10000 hours, which converts to over 13.7 years at 2 hours per day. The built-in ambient light sensor detects the ambient light in the room and automatically optimizes the picture. 643 cm picture width, the projector will be able to illuminate well. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 429 cm here. It is also Full HD 1080P compatible. The projector is very quiet compared to others with an operating noise of 30 decibels. This model is no longer offered by Acer.

1 x 0,65" DLP DMD Chip
WXGA 16/10 Ti Digital Light Processing Chip

Projector	4000	Screen	1600 Lux (bei 200 cm Screen)
Contrast	20000:1		20000:1
