

Acer X1230PS

ACER X1230PS

Brief Introduction

Beta 2.5

The Acer X1230PS standard portable 3D BrilliantColor DLP projector has 2500 Ansi lumens, a contrast of 3000:1 and an XGA 1024 x 768 resolution. The projector can illuminate an image width of up to 435 cm thanks to its 2500 Ansi lumens. In room light, however, the image width should ideally be less than 290 cm. 1080P playback is also no problem for the projector. On the market since 2010, the model is no longer offered by the manufacturer Acer.
