

# Clear views, appreciable value

The X1230S projector extends productivity potential without going over the budget. Whether in the classroom, home or conference room, the projector presents clear text and brilliant graphics. X1230S is easy to use, comes in an attractive design, and features the latest technologies for superior usability. Short-throw projection enhances flexibility and provides greater viewing comfort without sacrificing precise image quality. Closed captioning displays audio elements in text format, aiding comprehension for hearing-challenged users. Auto keystone correction automatically fixes vertical distortions caused by elevated projection. With 2400 ANSI Lumens brightness, XGA resolution, and Acer ColorBoost II technology, X1230S offers a highly appreciable mix of great performance and exceptional value. It also helps conserve nature's resources, reducing standby power consumption by as much as 50 percent via the Acer EcoProjection technology.

Acer X1230S

acer

## Feature highlights

### Sharp imagery

- Unique, elegant design
- Acer ColorBoost II technology
- XGA resolution
- 2400 Lumens brightness and 2500:1 contrast ratio
- DLP® system design

### Smart usability

- Short-throw projection
- Acer Empowering Technology
  - Acer ePower Management with High Altitude Mode
  - Acer eView Management with innovative Blackboard Mode
  - Acer eTimer Management
- Acer SmartFormat technology
- Installation menu
- Keystone correction (40° vertical)
- Auto keystone correction
- Quick start
- Quick detection
- Monitor loop-through
- RS-232 port

### Nature-friendly functionality

- Acer EcoProjection technology
- Longer lamp life (4000 hours)
- ECO mode
- Acer Instant Pack technology
- Automatic safety shutdown
- Digital zoom and pan
- 3X color-wheel rotation speed
- Low noise level
- Built-in speaker
- PIN security
- Windows Vista® compliance

## Acer Projector X1230S Quick Spec

Model Name	X1230S
Projection System	DLP®
Display Panel	0.55" DarkChip™ 2 DMD
Resolution	Native XGA (1,024 x 768) Maximum SXGA+ (1,400 x 1,050), WXGA+ (1,440 x 900)
Aspect Ratio	4:3 (native), 16:9
Contrast Ratio	2500:1
Brightness	2,400 ANSI Lumens
Lamp Life	4,000 hours
Projection Lens	F = 2.5, f = 10 mm manual focus
Keystone Correction	±40 degrees (vertical), manual
Short-throw Distance	Yes / 1.6 – 18 ft (0.5 – 5.5 m)
Audio	One internal speaker with 2 W output
Noise Level	26 dBA
Input Interface	Analog RGB / component video (D-Sub) Composite video (RCA) S-video (mini DIN) PC audio (stereo mini jack)

### Short Throw Distance

The short throw distance allows the projector to display clear images while it is positioned very close to the screen. Even at a throw distance of just 2 meters, highly detailed images can be displayed at up to 109". This feature maximizes space since long projection distances are no longer required. It also offers greater flexibility and viewing comfort, making Acer projectors ideal for education and business projection scenarios.

### Auto Keystone Correction

Elevated projection can result in a "pointing up" or "pointing down" effect. Activating the Auto Keystone Correction feature automatically corrects vertical distortions, so the audience sees a rectangular image rather than one with a wider top/bottom, even if the projector is placed above or below the screen.

### Acer Color Boost II Technology

Acer ColorBoost II optimizes multimedia performance for different scenarios, environments and connectivity interfaces. It is the next generation of ColorBoost performance enhancement technology for Acer projectors — all of which feature a six-segment color wheel for business presentations, educational purposes and entertainment in any venue. With Acer ColorBoost II, Acer projectors deliver enriched details, smoother gradation and brighter natural colors while boosting color strength and performance for more lifelike skin tones and unsurpassed color reproduction.

### About Acer

Since its founding in 1976, Acer has constantly pursued the goal of breaking the barriers between people and technology. Focused on marketing its brand-name IT products around the globe, Acer ranks as the world's No. 3 vendor for total PCs and No. 2 for notebooks, with the fastest growth among the top-five players. A profitable and sustainable Channel Business Model is instrumental to Acer's continued growth, while the successful mergers of Gateway and Packard Bell complete the company's global footprint by strengthening its presence in the U.S., and enhancing its strong position in Europe. Acer Inc. employs 5,000 people worldwide. 2007 revenues reached US\$14.07 billion. See [www.acer.com](http://www.acer.com) for more information.
