

Acer X1329

ACER X1329

Brief Introduction

Beta 2.5

The Standard Portable X1329 3D DLP has 4,800 ANSI lumens, a contrast ratio of 20,000: 1 and a WXGA 1280 x 800 resolution. The manufacturer specifies the lamp life as 10,000 hours, which would equate to over 13.7 years at 2 hours? use per day. Thanks to its 4,800 ANSI lumen output. In rooms with ambient light, the projector performs best with a narrower image width; we would recommend a maximum of 469 cm. Playing 1080p and 3D content is also no problem for the projector. Even ceiling projection is possible thanks to the 360? projection capability. The operating noise of just 29 decibels ensures quiet projection. It was launched in 2024 and is no longer available from the manufacturer Acer, but it remains a popular projector in our database.

Display Type

1 x 0,65" DC3 DMD DLP Chip
WXGA 16/10 Ti Digital Light Processing Chip
