

ACTO LX615

Brief Introduction
Beta 2.5

The LX615 LCD projector from ACTO has 3000 Ansi lumens, a contrast of 600:1 and an XGA 1024 x 768 resolution. The projector can illuminate an image width of up to 477 cm with its 3000 Ansi lumens. In room light, however, the image width should ideally be less than 318 cm. The operating noise of just 30 decibels makes the projection quiet. On the market since 2009, the model is no longer offered by the manufacturer ACTO.
