

# Aiptek P800 Mini

AIPTTEK P800 MINI

The Aiptek P800 Mini LED DLP projector has 800 Ansi lumens, a contrast of 1000:1 and a WXGA 1280 x 800 resolution. The manufacturer specifies an LED service life of 20000 hours, which equates to over 13.7 years with a daily viewing time of 4 hours. The projector can illuminate a picture width of up to 287 cm with its 800 Ansi lumens. In room light, however, the image width should ideally be less than 191 cm. Thanks to the built-in 20800 mAh battery for up to 3 hours of projection, no power supply is required, allowing the projector to be set up quickly and flexibly. Playing 1080P is also no problem for the projector. The projector was launched in 2018 and is no longer sold by the manufacturer.

## Brief Introduction

Beta 2.5

## Display Type

DLP Chip  
WXGA 16/10 Ti Digital Light Processing Chip

## Ansi-Lumen

Projector 800

Screen 320 Lux (bei 200 cm Screen)

## Contrast

Projector 1000:1

Screen 1000:1

## Black Level

Projector 0,8000 min. Lumen

Screen 0,321 min. Lumen
