

Antmap VF320

ANTMAP VF320

The Antmap VF320 LED LCD portable game projector has 200 ANSI lumens, a contrast ratio of 1000:1 and HDTV 1280 x 720 resolution. Thanks to the LEDs, the projector has a specified light life of 50,000 hours, which would be over 34.2 years if viewed for 4 hours a day. As the projector has horizontal and vertical keystone correction, it can be set up with plenty of space around it. The brightness of 200 ANSI lumens allows for an image width of 144 cm. In room lighting, the image should be no wider than 96 cm. Since the projector recognizes Airplay and Miracast screen mirroring signals, it is possible to play videos from a smartphone, tablet, or PC (Android, Windows, and iOS) with high resolution and surround sound directly via Wi-Fi. In addition, the Bluetooth capability is a useful addition to the projector, especially for wireless audio transmission. Furthermore, it is Full HD 1080P and 4K (compressed) compatible.

1 x LCD Panel
HDTV 16/9 Liquid Crystal Display

Projector: 200
1000:1 full on/off
