

ASK Proxima E1610

ASK PROXIMA E1610

With the E1610, manufacturer ASK Proxima offers an LCD projector with XGA 1024 x 768 resolution and a contrast of 2000:1. The lamp life is specified by the manufacturer as 4000 hours, which is over 5.5 years if enjoyed for two hours a day. 6100 Ansi lumens ensure that a picture width of 680 cm is also possible. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 453 cm. Furthermore, it is Full HD 1080P compatible and can even project Blu-rays onto the ceiling thanks to 360° projection. The model was built by ASK Proxima in 2012 and is no longer current.

3 x 0,8" LCD TFT Panel
