

ASK Proxima S1230

ASK PROXIMA S1230

Brief Introduction

Beta 2.5

With the S1230, manufacturer ASK Proxima offers an LCD projector with WXGA 1280 x 800 resolution and a contrast of 3000:1. Thanks to the short-throw projection ratio of just 0.64:1, the projector is not distracting in the room. For a 2m wide image, the projector only needs to be 128 cm away from the screen. Even 1080P video signals are no problem for the projector. The projector was launched in 2012 and is no longer sold by the manufacturer.
