The B1M LED DLP has 700 Ansi-Lumen, a contrast of 3500:1 and a WXGA 1280 x 800 resolution. It is an LED projector with 30000 hours of light life, which is over 20.5 years with a daily viewing of 4 hours. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. A picture width of up to 269 cm is possible. However, the picture should be smaller in room light. We recommend max. 179 cm.
