

ASUS P1M (P1M)
ASUS P1M Pocket Projector 0.45" DLP R/G/B LED WXGA 1280x800 2000:1, 200 Lumens

Experience bright,crystal clear 40" HD 1280 x 800 projections from a distance of only 1 meter. At this size,even 8-point fonts can be seen and read clearly. The use of an energy-efficient LED light source delivers a 10x longer lifespan along with bigger savings. Additionally,it also ensures whisper-silent operation.

ASUS Set-n-Go technology for instant on/off,instant height adjustment,and auto keystone correction for quick,easy use. It has dimensions similar to a CD case. Its compatibility with most ASUS laptop power adapters makes it the ideal ASUS business combo.

■ Key Selling Points

- Long-life LED light-source with 200 lumens brightness
- 1280 x 800 high resolution supports HD visual quality
- 5 seconds on and instant off capability saves waiting time before/after the usage
- Perfect projection with auto keystone correction and instant height adjustment
- Incredible mobility with an ultra-light and slim design
- Award-winning design with good design and iF awards

▮ Product Features

200 ANSI lumens
Operating at a brightness of 200 ANSI lumens to allow project displays with professional precision and complete clarity of color and detail.

HD 1280 x 800
This projector is able to display content and visuals in HD 1280 x 800,so whatever is seen on screen precisely matches the original content viewed on a notebook or PC.

Eco-LED light source
Sharp images,crisp text and vibrant colors are all possible thanks to the most innovative and updated DLP technology. Moreover,the mercury-free eco-LED light source used in this projector has a lifespan of up to 30,000 hours. To put that into perspective,it would last for 20 years if it is used 4 hours daily. Additionally,it also ensures whisper-silent operation.

5 seconds on and instant off
This projector can be quickly set up to provide crystal clear projections in as little as 5 seconds from power-up without any need for long warm-up times. There is no cooling down period required either,powering off instantly.

Auto keystone correction
An auto keystone correction feature can detect this projector's orientation and automatically corrects distorted trapezoid images that result from an angled projection. This saves the user the time and hassle of having to adjust the image.

Instant height adjustment
This projector enables instant height adjustment thanks to a flip-down stand that can be quickly adjusted to suit the task at hand;saving the user a considerable amount of time when compared with traditional adjustable screw-stands.

One power adapter for business combo
To further lighten the load,it works with most ASUS notebook AC power adapters. One notebook and projector sharing a single power adapter makes it the ideal business presentation combo that delivers the one-two punch in the boardroom.

▮ Main Specifications

Product Description	ASUS P1M DLP projector
Device Type	DLP projector - High Definition 720p
Colour	Black
Brightness	200 lumens
Contrast Ratio	2000:1
Resolution	WXGA (1280 x 800)
Native Aspect Ratio	16:10
Colour Support	16.7 million colours
Bulb life cycle	Up to 30000 hour(s)

Video Input	RGB - MPEG-4, AVI, MJPEG, XviD, H.263, MOV
Speakers	Speaker(s) - integrated
Dimensions (WxDxH)	12.55 cm x 13 cm x 3.35 cm
Weight	415 g

Extended Specification

General	
Device Type	DLP projector - HD 720p
Enclosure Colour	Black
Projector	
Brightness	200 lumens
Contrast Ratio	2000:1
Image Size	51 cm - 305 cm
Projection Distance	0.5 m - 3 m
Throw Ratio	1.16:1
Resolution	WXGA - WXGA (1280 x 800)
Native Aspect Ratio	16:10
Colour Support	16.7 million colours
Max Sync Rate (V x H)	75 Hz x 79 kHz
Bulb life cycle	Up to 30000 hour(s)
Controls & Adjustments	Input select,keystone correction,aspect control
Features	Blackboard Mode,JPEG photo playback,MP3 playback,Whiteboard Mode,BMP photo playback,MP4 playback,DOC files support,PPT files support,XLS files support,TXT files support,PDF files support,Game mode,Dynamic Mode,Theater Mode,WAV playback,APE playback,OGG playback,FLAC playback,PNG photo playback
Lens	
Keystone Correction Type	Digital
Video Input	
Analogue video Signal	RGB
Video Interfaces	VGA,USB
Digital Video Format	MPEG-4,AVI,MJPEG,XviD,H.263,MOV
Speakers	
Type	Integrated
Output Power / Channel	2 Watt
Speaker(s)	1 x mixed channel
Expansion / Connectivity	
Expansion Slot(s)	1 x SD Memory Card
Interfaces	1 x USB - 4 PIN USB Type A (on supplied cable) 1 x VGA input - 15 pin HD D-Sub (HD-15) (on supplied cable)
Miscellaneous	
Included Accessories	Carrying case
Cables Included	1 x video cable 1 x USB cable
Security Features	Security lock slot (cable lock sold separately)
Compliant Standards	UL,VCCI,C-Tick,CB,CCC,IC,FCC,RoHS,WEEE,GOST-R
Dimensions & Weight	
Width	12.55 cm

Depth	13 cm
Height	3.35 cm
Weight	415 g
Environmental Parameters	
Min Operating Temperature	5 °C
Max Operating Temperature	35 °C
Humidity Range Operating	35 - 85 %
Sound Emission	28 dBA

■ What's in the box

- ASUS P1M
- Power adapter
- Carrying case
- Video cable
- USB cable
