

Asus P2E

ASUS P2E

A brief introduction to the P2E: The Asus Game-Portable LED DLP projector offers 350 Ansi-Lumen, a contrast of 3500:1 and a WXGA 1280 x 800 resolution. Thanks to the LEDs, the projector has a light life of up to 30,000 hours, which equates to over 20.5 years at 4 hours of use. The projector can illuminate an image width of up to 190 cm well thanks to its 350 Ansi lumens. In room light, however, the image width should ideally be less than 127 cm. A smartphone with MHL connection can be connected directly to the MHL/HDMI port and transmit a 1080p / 60 Hz image mirroring (screen mirroring) while the smartphone is being charged at the same time. This model is no longer offered by Asus, but is still very popular in our projector database.

Brief Introduction Beta 2.5

Display Type

1 x 0,45" DLP Chip
WXGA 16/10 Ti Digital Light Processing Chip

Ansi-Lumen

Projector 350

Screen 140 Lux (bei 200 cm Screen)
