

# Avio iP 30S/E

AVIO IP 30S/E

## Brief Introduction

Beta 2.5

The iP 30S/E DLP has 2500 Ansi lumens and an XGA 1024 x 768 resolution. An image width of up to 435 cm is possible as the projector has 2500 Ansi lumens. However, if room light is available, the picture should be a maximum of 290 cm wide. It was launched in 2007 and is no longer offered by the manufacturer Avio. Unfortunately, we can no longer offer replacement lamps for this model, neither originals nor replicas.
