

Benq LU9715

BENQ LU9715

The Benq LU9715 3D laser DLP projector has 8000 Ansi lumens, a contrast of 100000:1 and a WUXGA 1920 x 1200 resolution. Thanks to the laser technology, the projector has a light life of up to 20000 hours, which is over 13.7 years if enjoyed for four hours a day. With the lens shift function, the projector can be positioned very freely. 8000 Ansi lumens ensure that a picture width of 909 cm is also possible. The projector creates rooms with residual light with a smaller image width, max. 606 cm is recommended. The model is also Full HD 1080P and 3D compatible. Even projection onto the ceiling is possible thanks to the 360° projection. The model built in 2016 is no longer offered by Benq.

 1 x 0,67" DLP Chip
WUXGA 16/9 Ti Digital Light Processing Chip
