

Benq DX808ST

BENQ DX808ST

A brief introduction to the DX808ST: The Benq 3D BrilliantColor DLP projector offers 3300 Ansi lumens, a contrast of 20000:1 and a resolution. The manufacturer specifies a lamp life of 15000 hours, which converts to over 20.5 years at 2 hours per day. Thanks to the short-throw projection ratio of just 0.6:1, the projector does not stand still in the room. For a 2m wide image, the projector only needs to be 120 cm away from the screen. The projector can also play 1080P and 3D without any problems. The model was built by Benq in 2017 and is no longer current, but is still a popular projector in our database.

 1 x 0,55" DLP Chip
XGA 4/3 Ti Digital Light Processing Chip

Projector	3300	1100 Lux (bei 200 cm Screen)
Contrast	20000:1 full on/off	20000:1 full on/off
