

Benq MX808ST

BENQ MX808ST

The Benq MX808ST 3D DLP projector has 3300 Ansi lumens, a contrast of 20000:1 and a resolution. The lamp life is specified by the manufacturer as 5000 hours, which converts to over 6.8 years at 2 hours per day. With a projection ratio of just 0.61:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 122 cm away from the screen. Playing 1080P and 3D is also no problem for the projector. The model built in 2017 is no longer offered by Benq, but is still one of the very popular projectors.
