

Benq TH670

The Benq TH670 3D BrilliantColor DLP home cinema projector has 3000 Ansi lumens, a contrast of 10000:1 and HDTV 1920 x 1080 resolution. The manufacturer specifies a lamp life of 10000 hours, which is equivalent to over 13.7 years at 2 hours per day. As the TH670 is equipped with a microphone jack plug and 10W speaker, no additional audio system is required for presentations or training courses. An image width of up to 556 cm is possible as the projector has 3000 Ansi lumens. However, if room light is available, the image should be a maximum of 371 cm wide. The model is also Full HD 1080P and 3D compatible. This model is no longer offered by Benq, but is still very popular in our projector database.

Brief Introduction

Beta 2.5
