

Benq TH670s

BENQ TH670S

The TH670s 3D BrilliantColor DLP home cinema has 3000 Ansi lumens, a contrast of 10000:1 and an HDTV 1920 x 1080 resolution. The manufacturer specifies a lamp life of 10000 hours, which converts to over 13.7 years at 2 hours per day. The projector is equipped with a microphone jack plug and 10W speakers, so no additional speakers are required for presentations or training courses. The projector can illuminate an image width of up to 556 cm thanks to its 3000 Ansi lumens. In room light, however, the picture width should ideally be less than 371 cm. Video signals 1080P and 3D are also no problem for the projector. This model is no longer offered by Benq.

Brief Introduction

Beta 2.5
