

Boxlight 2001

Brief Introduction

Beta 2.5

The Boxlight 2001 Station LCD projector has 250 Ansi lumens, a contrast of 100:1 and a VGA 640 x 480 resolution. A picture width of up to 138 cm is possible. However, the image should be smaller in room light. We recommend max. 92 cm. The projector is no longer sold by the manufacturer. It should also be noted that there are unfortunately no more replacement lamps available for the projector, neither originals nor replicas.
