

Brilens BI1920

BRILENS BL1920

The Brilens model BI1920 is an LCD LED projector with HDTV 1920 x 1080 resolution and a contrast of 50000:1. It is an LED projector with 30000 hours of light life, which is over 20.5 years if enjoyed for four hours a day. As Brilens specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. An image width of up to 136 cm is possible. In room light, however, the image should be smaller. We recommend max. 91 cm. The projector has optional DLNA, Airplay, Miracast Screen Mirroring support, which enables direct playback of videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via WLAN. The model is also Full HD 1080P compatible.

Brief Introduction

Beta 2.5

Display Type

LCD TFT Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

180 / 3000 Lumen

80 Lux (bei 200 cm Screen)

Contrast

50000:1

50000:1

Black Level
