

Broomx MK360+

B R O O M X M K 3 6 0 +

Brief Introduction

Beta 2.5

The stationary MK360+ DLP projector from Broomx has 3400 Ansi lumens, a contrast of 60000:1 and an HDTV 1920 x 1080 resolution. The manufacturer specifies a lamp life of 4500 hours, which converts to over 6.2 years at 2 hours per day. A picture width of up to 592 cm is possible. However, the picture should be smaller in room light. We recommend max. 395 cm. Even 1080P video signals are no problem for the projector, which can even project Blu-rays onto the ceiling thanks to 360° projection. The projector was launched in 2022 and is no longer sold by the manufacturer.

Display Type

3400

Ansi-Lumen

60000:1 full on/off

Contrast

0,0567 min. Lumen

Black Level

Offset

HDTV 1920 x 1080
