

Byintek SKY X20

BYINTEK SKY X20

A brief introduction to the Byintek SKY X20. The LCD LED projector has an HDTV 1280 x 720 resolution and a contrast of 3000:1. Thanks to the LEDs, the projector has a light life of up to 30,000 hours, which would be over 20.5 years with a daily viewing time of 4 hours. The projector also offers an integrated media player that can be used to play files directly. Thanks to the horizontal and vertical keystone correction, the projector can be positioned very freely. 250 Ansi lumens ensure that a picture width of 161 cm is also possible. However, if room light is available, the picture should be max. 107 cm wide. The model recognizes screen mirroring signals, so it is possible to play videos with high resolution and surround sound directly via WLAN from a smartphone, tablet or PC (Android, Windows and iOS). Thanks to the Bluetooth function, the projector can also be flexibly paired with other speakers. It is also Full HD 1080P and 4K (compressed) compatible.

 3 x 2,69" LCD Panel
HDTV 16/9 Liquid Crystal Display

Projector	250	Screen	111 Lux (bei 200 cm Screen)
