

Caiwei A8A-26

CAIWEI A8A-26

A brief introduction to the Caiwei A8A-26. The LCD LED projector has a WXGA 1280 x 800 resolution and a contrast of 4500:1. The manufacturer Caiwei specifies a service life of 50000 hours, which is over 34.2 years with a daily viewing time of 4 hours. As Caiwei specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. A picture width of up to 147 cm is possible, as the projector has 210 Ansi lumens. However, if there is room light, the picture should be max. 98 cm wide. It is also Full HD 1080P compatible. The projector was launched in 2018 and is no longer sold by the manufacturer.

Brief Introduction

Beta 2.5

Display Type

LCD Panel
WXGA 16/10 Liquid Crystal Display

Ansi-Lumen

210 / 3500 Lumen

84 Lux (bei 200 cm Screen)
