

Caiwei H6W

CAIWEI H6W

With the H6W, manufacturer Caiwei offers a DLP LED projector with HDTV 1920 x 1080 resolution and a contrast of 3000:1. The service life of the LEDs is 50000 hours, which is over 34.2 years with a daily viewing time of 4 hours. As Caiwei specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. 143 cm picture width, the projector will be able to illuminate well. However, if room light is available, the image width should ideally not exceed 95 cm. Thanks to the built-in 5300mAh battery, no power supply is required, allowing the projector to be set up quickly and flexibly. The projector can also play 1080P and 3D without any problems. It was launched in 2021 and is no longer offered by the manufacturer Caiwei, but is still one of the most popular projectors.

1 x 0,2" DMD DLP Chip
HDTV 16/9 Ti Digital Light Processing Chip

Projector	198 / 3300 Lumen	88 Lux (bei 200 cm Screen)
	3000:1 full on/off	3000:1 full on/off
Screen	0,0660 min. Lumen	0,029 min. Lumen
