

Canon LDP 6320

CANON LDP 6320

Brief Introduction

Beta 2.5

A brief introduction to the Canon LDP 6320. The DLP projector has an XGA 1024 x 768 resolution and a contrast of 2500:1. The horizontal and vertical keystone correction provides leeway when setting up. A picture width of up to 477 cm is possible. However, the picture should be smaller in room light. We recommend max. 318 cm. On the market since 2009, the model is no longer offered by the manufacturer Canon.
