

Canon XEED WUX10

CANON XEED WUX10

The Canon XEED WUX10 is an LCOS projector with WUXGA 1920 x 1200 resolution and a contrast of 1000:1. An image width of up to 575 cm is possible. However, the image should be smaller in room light. We recommend max. 383 cm. Playing 1080P is also no problem for the projector. The model built in 2008 is no longer offered by Canon.
