

Casio XJ S33

CASIO XJ S33

Brief Introduction

Beta 2.5

With the XJ S33, manufacturer Casio offers a standard portable DLP projector with XGA 1024 x 768 resolution and a contrast of 1800:1. The horizontal and vertical keystone correction provides leeway when setting up. An image width of up to 418 cm is possible as the projector has 2300 Ansi lumens. However, if room light is available, the picture should be max. 279 cm wide. Even 1080P video signals are no problem for the projector. The model built in 2009 is no longer offered by Casio.
