

Christie D12WU-HS

CHRISTIE D12WU-HS

A brief introduction to the Christie D12WU-HS. The large format DLP laser projector has a WUXGA 1920 x 1200 resolution and a contrast of 1200:1 full on/off. The manufacturer Christie specifies a service life of 20000 hours, which is over 13.7 years if enjoyed for four hours a day. The integrated lens shift gives freedom when positioning the projector. An image width of up to 1090 cm is possible as the projector has 11500 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 727 cm. Video signals 1080P and 3D are also no problem for the projector, which can even project Blu-rays onto the ceiling thanks to 360° projection. The model was built by Christie in 2016 and is no longer current.

1 x 0,96" DLP Chip
WUXGA 16/9 Ti Digital Light Processing Chip

Projector 11500 / Center: 12000 lumens / ISO : 12900 lumens
Screen 5111 Lux (bei 200 cm Screen)
1200:1 Full On/Off
9,5833 min. Lumen
4,267 min. Lumen
