

Christie Boxer 30 2K

CHRISTIE BOXER 30 2K

A brief introduction to the Boxer 30 2K: The Christie large-format DLP projector offers 29000 Ansi lumens, a contrast of 2000:1 and HD2K 2048 x 1080 resolution. With the lens shift function, the projector can be positioned very freely. The projector can illuminate a picture width of up to 1483 cm thanks to the 29000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 989 cm. Even 1080P video signals are no problem for the projector, which can even project Blu-rays onto the ceiling thanks to 360° projection. On the market since 2015, the model is no longer offered by the manufacturer Christie.

Brief Introduction Beta 2.5

Display Type

 3 x 1,38" DLP Chip
HD2K 4/3 Ti Digital Light Processing Chip
