

DANCIEYA R2

DANCIEYA R2

The R2 LED LCD has 500 ANSI lumens and an HDTV 1920 x 1080 resolution. Thanks to the LEDs, the projector is specified with a 30,000-hour light lifespan, which would be over 20.5 years with 4 hours of viewing per day. Horizontal and vertical keystone correction makes it easy to set up the image. An image width of up to 227 cm is possible because the projector has 500 ANSI lumens. However, if room light is present, the image should be no more than 151 cm wide. The projector has Airplay, Miracast Screen Mirroring support, which allows you to play videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS directly via Wi-Fi. Furthermore, it is Full HD 1080P and 4K (compressed) compatible.
