DBPOWER C16

Manufacturer DBPOWER offers the C16, a standard portable LCD LED projector with HDTV 1280 x 720 resolution and a contrast of 10000:1. The manufacturer states that the LED has a lifespan of 30,000 hours, which would be the equivalent of 20.5 years at 4 hours per day. The projector can illuminate a screen up to 249 cm wide well thanks to its 600 ANSI lumens. However, the screen should ideally be less than 166 cm wide in a well-lit room. Since the projector recognizes Airplay, Miracast Screen Mirroring signals, it is possible to play videos with high resolution and surround sound directly from a smartphone, tablet, PC (Android, Windows and iOS) via WLAN. In addition, thanks to the Bluetooth function, the projector can be flexibly connected to other speakers. Playing 1080P and 4K (compressed) is also no problem for the projector.

Brief Introduction
Beta 2.5

Display Type	1 x LCD Panel HDTV 16/9 Liquid Crystal Display		
Projector / Screen			
Ansi-Lumen	600		267 Lux (bei 200 cm Screen)
Contrast	10000:1		10000:1
