

DBPOWER RD-819

DBPOWER RD-819

Brief Introduction
Beta 2.5

The RD-819 at a glance: The DBPOWER Standard Portable LED LCD Projector offers 490 ANSI lumens, a contrast ratio of 1500:1, and a WXGA 1280 x 800 resolution. Thanks to its LEDs, the projector has a specified light life of 50,000 hours, which equates to over 34.2 years at 4 hours per day. Since DBPOWER specifies the brightness of the projector in lumens, we have calculated an approximate ANSI lumen value in this case. The brightness of 490 ANSI lumens allows for an image width of 225 cm. In room lighting, the image should be a maximum of 150 cm wide. Furthermore, the projector can play 1080P without any problems.

Display Type

1 x 5,8" LCD Panel
WXGA 16/10 Liquid Crystal Display
