

DECOME 650 ANSI

DECOME 650 ANSI

Brief Introduction

Beta 2.5

The 650 ANSI LED LCD has 650 ANSI lumens, a contrast ratio of 20,000:1 and an HDTV resolution of 1920 x 1080. Thanks to the LEDs, the service life is 30,000 hours, which would equate to over 20.5 years at 4 hours? use per day. Horizontal and vertical keystone correction ensures that setting up the image is child?s play. With an image width of up to 222 cm can be clearly projected by the projector thanks to its 650 ANSI lumens. However, in brightly lit rooms, the image width should ideally be less than 148 cm. As the projector recognises AirPlay, Miracast and Screen Mirroring signals, it is possible to stream high-resolution videos with surround sound directly from a smartphone, tablet, PC (Android, Windows and iOS) via Wi-Fi. In addition, the Bluetooth capability is a useful addition to the projector, particularly for wireless audio transmission. The model is also compatible with Full HD 1080p and 4K (compressed).

Display Type

- 1 x LCD Panel
- HDTV 16/9 Liquid Crystal Display
