

Dell S300

DELL S300

Brief Introduction

Beta 2.5

A brief introduction to the Dell S300. The short-throw DLP projector has a WXGA 1280 x 800 resolution and a contrast of 2400:1. The lamp life is up to 5000 hours, which converts to over 6.8 years at 2 hours per day. This projector has a projection ratio of just 0.521:1. For a 2 m wide image, the projector only needs to be 104 cm away from the screen. Playing 1080P is also no problem for the projector. The model built in 2010 is no longer offered by Dell.
