

DreamVision INTI 1

DREAMVISION INTI 1

The DreamVision model INTI 1 is a DILA projector with HDTV 1920 x 1080 resolution and a contrast of 50000:1. The projector also offers a lens shift function, which makes setting up the image childs play. The projector can illuminate an image width of up to 366 cm thanks to its 1300 Ansi lumens. In room lighting, however, the picture width should ideally be less than 244 cm. The model is also Full HD 1080P and 3D compatible. At just 19 decibels operating noise, the model is very quiet compared to others. The model was built by DreamVision in 2011 and is no longer current.
