

Dukane ImagePro 6536B

DUKANE IMAGEPRO 6536B

The Dukane ImagePro 6536B standard portable 3D BrilliantColor LCD projector has 3600 Ansi lumens, a contrast of 12000:1 and an XGA 1024 x 768 resolution. The manufacturer Dukane specifies a lamp life of 4000 hours, which is over 5.5 years if enjoyed for two hours a day. The integrated media player can play files directly. Horizontal and vertical keystone correction makes picture adjustment childs play. The projector will be able to illuminate a picture width of 523 cm. The projector can manage rooms with residual light with a smaller image width, we recommend a maximum of 349 cm here. Playing 1080P and 3D is also no problem for the projector. On the market since 2017, the model is no longer offered by the manufacturer Dukane.
