

Dukane ImagePro 8137W

EAN/UPC:605194006984

DUKANE IMAGEPRO 8137W

The Dukane ImagePro 8137W model is an LCD projector with WXGA 1280 x 800 resolution and a contrast of 20000:1. The manufacturer Dukane specifies a lamp life of 4000 hours, which is over 5.5 years if enjoyed for two hours a day. The horizontal and vertical keystone correction allows the projector to be positioned very freely. Thanks to the short throw projection ratio of just 0.3:1, the projector is not disturbed in the room. For a 2m wide image, the projector only needs to be 60 cm away from the screen. As the ImagePro 8137W is equipped with a microphone jack plug and 16W speakers, no additional audio system is required for presentations or training sessions. Even 1080P video signals are no problem for the projector. The projector was launched in 2020 and is no longer sold by the manufacturer.
