

Dukane ImagePro 8230W

DUKANE IMAGEPRO 8230W

A brief introduction to the ImagePro 8230W: The Dukane short-throw LCD projector offers 3000 Ansi lumens, a contrast of 10000:1 and a WXGA 1280 x 800 resolution. The manufacturer specifies a lamp life of 10000 hours, which is over 13.7 years if enjoyed for two hours a day. The horizontal and vertical keystone correction provides leeway when setting up. Thanks to the short throw projection ratio of just 0.4:1, the projector is not distracting in the room. For a 2m wide image, the projector only needs to be 80 cm away from the screen. As the ImagePro 8230W is equipped with a microphone jack and 16W speakers, no additional audio system is required for presentations or training sessions. The model is also Full HD 1080P compatible. On the market since 2015, the model is no longer offered by the manufacturer Dukane.

Brief Introduction Beta 2.5

Display Type

3 x LCD TFT Panel
WXGA 16/10 Liquid Crystal Display

Ansi-Lumen

3000

1200 Lux (bei 200 cm Screen)
